

senior Aerospace

We currently have a number of vacancies within the Production Department for

ASSEMBLY PRODUCTION OPERATIVES

Full time opportunities available on both Day Shift and Afternoon/Evening Shift

7.00 am to 3.00pm (Day Shift) - early finish on Friday

3.15pm to 11.30pm (Afternoon/Evening Shift) - 8.15pm finish on Friday

Starting salary is £7.23 per hour increasing on successful completion of the 3 month probationary period and rising again on completion of 12 months service (+ shift premium for afternoon/evening shift and productivity bonus)

We are looking for self motivated people that can demonstrate a high level of manual dexterity and accuracy. You will be used to working as part of a team to meet production targets whilst maintaining high quality standards. Some relevant experience is desirable but all new employees will be given full training and the opportunity to develop their skills.

If you are interested in learning new skills or developing your existing skills and becoming part of a successful Company with ambitious plans for the future then contact our recruiting partners Right4staff.

Application:
